How to Read This Chart

Each row is one ELPS student expectation. Each column is one cluster. A navy mark shows where that ELPS is taught in that cluster. Every mark is a live link that opens the exact page or passage on the IMRA review site.

module guides checked, Prepare and Clusters 1 to 8

How coverage is counted. Nothing in this chart is inferred. Every mark links to the lesson, activity, or passage where the ELPS is taught. The gold **ss** (Scope and Sequence) mark shows that the Grade 4 TEKS and ELPS Coverage Map (from the Scope and Sequence) also assigns that ELPS to the cluster.

Key

- **2** Module 2 of that cluster teaches the ELPS in its core lessons or activities. Open the link for the exact page.
- **3** Module 3 lists the ELPS only in its Intervention or Enrichment table.
- **CW** A cluster-wide activity, such as a slide deck or song, that teaches the ELPS across the cluster. The row's Activities note names it.
- **TT** Take Turns Reading (Fluency): the teacher and student alternate reading sentences while the student tracks print, using the cluster's Content Language Support passage.
- **ss** The cluster's Scope and Sequence ELPS band also lists it.

Foundational ELPS. Print concepts, reading aloud with fluency, and pronunciation are taught through Take Turns Reading (Fluency) on every Content Language Support passage and in the Published Texts teacher scripts. Each module's Section 18, ELPS Linguistic Accommodations, gives proficiency level supports for every learner.
